ENDORSEMENTS

Carine places Mary's journeys between God's promise and Jesus' cross and lets us feel the angst Mary and Joseph faced. Add it to your family's Advent reading.

Dale Ralph and Barbara Davis

I really liked the way Mary's Christmas Journey is so unashamedly supernatural. It is made clear on page after page that God intervenes in his world, so children can clearly see how God acted through his creation, Mary's pregnancy, Joseph's dream and Jesus' resurrection.
