AUTHOR

ENDORSEMENTS

"This series of books is superb for personal study, and for helping those who teach the Bible to others. I've been getting a lot to give away to others now. The level is accessible, the reasoning clear, the application careful. Faithful and concise, never missing the big picture. Excellent."

Mark Dever
Senior Pastor, Capitol Hill Baptist Church and President, 9Marks.org, Washington, DC

"The art of simplification is not an easy one, but here it is at its best."

D. A. Carson
Emeritus Professor of New Testament, Trinity Evangelical Divinity School, Deerfield, Illinois

"Read / Mark / Learn has taught thousands of us over the years to know our Bibles and our God better."

Hugh Palmer
Rector, All Souls Langham Place, London

"An exciting commentary on Romans, very much designed to answer the questions of ordinary people. Those who want to use the material in a study group will find plenty of resources for engaging with the text."

David Peterson
Retired Principal of Oak Hill Theological College, London
