The Banner of Truth Magazine

My "Small Group" which is a class that meets every Weds night (after dinner at church) uses Rev. Dales books. The first was Judges that we studied and all thought it very well written with good logical thought processes to follow. We are now studying Samuel 1 and feeling the same way. Definately worth your trying one of his books. I am sure if you want to learn more of one of the books of the Bible, you will, by reading one that Rev Dale wrote on.

Small Group Member, First Presbyterian Church, Jackson, MS

"He combines the depth of understanding of a thorough-going Old Testament scholar with the breadth of insight of a biblical theologian and the perception of a preacher well used to addressing contemporary audiences to provide us with a commentary that brings the preaching potential of these books to life."

Mark Johnston
Editor, Banner of Truth Magazine

"Writers will say, Why can't I write like that? Scholars, Why am I not so well read? Expositors, Why didn't I see it all like that too? And readers will join in unanimous praise for a great feast of biblical truth made so digestible, garnished with so many apt illustrations and always focused on the God of all Grace. I have lost count of the number of titbits transferred to my notebooks for future use!"
