DESCRIPTION

God's Daring Dozen delivers major lessons from the Minor Prophets in story book form. The twelve books between Daniel and Matthew are unfamiliar to many believers, so this series accurately introduces these inspired writings with vivid images and simple words that engage children and adults alike. These biblically faithful, theologically rich, gospel–centered books will captivate young readers, teach truth, and inspire faith in God and in His Son.

MARKETING POINTS

4 attractive, colourful, hardback books in box

Unique picture book telling of Minor Prophets

Obadiah, Zephaniah, Haggai and Habakkuk

AUTHOR

Brian J. Wright (Ph.D.) is the founding pastor of Redeemer Community Church in Pensacola, Florida, and author of more than a dozen books, including 'The Rhythm of the Christian Life' and 'Communal Reading in the Time of Jesus'.

John Brown (Th.M.) is the founding pastor of Denia Community Church in Denton, Texas. Previously he trained missionaries and taught international pastors.

ENDORSEMENTS

Too many people—kids and parents—miss out on the rich truths of the Minor Prophets. So I am happy to recommend *God's Daring Dozen* by Dr. Wright and Pastor Brown as a rich resource for young and old alike. This fresh look at an overlooked book will bless you and your children.

Dianne Jago
Mother of three, founder of Deeply Rooted Magazine, & author of 'A Holy Pursuit: How the Gospel Frees Us to Follow and Lay Down Our Dreams'

Brian Wright and John Brown provide beautifully crafted and compelling renditions of the Minor Prophets in ways that we and our children can understand better the powerful message of these books of the Bible. They carefully uncover the ancient context of these messages while bringing them forward to our day, and in ways our children can understand. I have no doubt of the tremendous benefit these will prove to be for countless Christian parents and churches.

Bruce Ware
Professor of Christian Theology, The Southern Baptist Theological Seminary, Louisville, Kentucky & author of 'Big Truths for Young Hearts'

The entire Bible, even the section called the Minor Prophets, is relevant for God's people, including children. Kudos to the authors for making the Minor Prophets accessible to children through these illustrated, engaging summaries of each of the twelve books.

Robert B. Chisholm, Jr.
Chair and Professor of Old Testament Studies, Dallas Theological Seminary, Texas & author of 'Interpreting the Minor Prophets' and 'Handbook on the Prophets'

The "God's Daring Dozen" book sets:
- Encourage biblical literacy
- Make the minor prophets accessible
- Fill a big gap in the children's publishing industry by sharing about stories your child may not have read before

These books help kids learn about lesser known Bible characters
