ENDORSEMENTS

The Living God is not done with revealing His revival glory to those who walk in repentance and faith, so it is also my prayer that this extraordinary book will not be read merely as an historical document, but that it will set hearts on fire for God and invigorate the people of God to seek Him once again for showers of blessing on a dry and thirsty land.

Paul Hattaway
Founder and Director, Asia Harvest & Author of many books

What I love about Tom's writing is the scholarly research that he puts into them, and yet he has an ability to relay that material so that it becomes a story that you want to read ... and keep reading. ... My prayer is that through reading this book, many will say 'I am waiting and longing for Scotland to be Ablaze again with revival fires'!

Gordon Pettie
CEO Revelation TV & Author of 'Do It Again, Lord', 'Hey Howie' and 'Not If, But When'

They say that history is boring – but what makes it interesting is when you get to the details. If that's the case then Tom Lennie's *Scotland Ablaze* must be one of the most interesting books on Scotland ever written. It is packed full of well–researched and evidenced detail. This is a book that will be used for decades to come as a source on the state of Christianity in Scotland in the 19th Century. You can dip in and out of it, but most of all it reminds us of a glorious time in Scottish history. *Scotland Ablaze* leads us to cry 'Lord, do it again!'

David Robertson
Minister, Scots Kirk, Newcastle, Australia

You will find that this is a book you will be reluctant to put down. ... Tom Lennie's latest book is candid about the difficulties and controversies which arise in revival but the overall effect is to challenge us to pray for the valley of dry bones to come alive again as a great army.
