DESCRIPTION

What If Your Fears Feared Someone Greater?

Fear touches every area of life—from uncertainty and suffering to darkness, disease, and death. In *The One Our Fears Dread*, Dayton Hartman shows that the answer to fear is not found in greater control, but in beholding the power and authority of Jesus Christ.

Through engaging biblical teaching and practical encouragement, readers will:

- **Discover Christ's victory over humanity's deepest fears.**
- **Grow in confidence amid life's uncertainties.**
- **See how the Gospels reveal Jesus' authority over chaos, evil, sickness, and death.**
- **Find lasting hope and courage in the presence of Christ.**

When fear rises, look to the One every fear dreads.

... while Jesus truly is "meek and mild," when we're in pain, suffering under injustice, or just plain terrified, we need more than that. I know your faith will be strengthened and inflamed as you read it!
