ENDORSEMENTS

"*Feminine Threads* is a must-read for men and women alike, but especially so for young women who need to have a clear view of the contributions that women before them have made to the Christian faith."

Carolyn McCulley
Conference Speaker and Author of ***Radical Womanhood: Feminine Faith in a Feminist World***

... it is doubtful that there is another volume that so clearly, concisely, and comprehensively describes the contributions of women throughout church history.

The Master's Seminary Journal

"From Blandina and Perpetua all the way to Edith Schaeffer and Joni Eareckson Tada, this book spans the history of the church, showing how godly women have contributed to the Christian faith."

Tim Challies
Author, 'Seasons of Sorrow'

"I highly recommend *Feminine Threads* by Diana Severance. It is a comprehensive study of a variety of Christian women, slaves to Queens, from New Testament times to the present day. The way in which the author incorporates eyewitness accounts, letters, and diaries are both an encouragement to read as well as convicting. Another aspect of this book, which I found very revealing, is the response of each generation of women to the word of God. This is not a "light read", but a book that I think should be in every Christian woman's library."
