DESCRIPTION

For many of us, the whole concept of Christology is as mystifying as a
foreign language, yet Christians down the ages have fought to defend the
person and work of Christ – seeing him and what he did quite rightly
as a vital element of how we are saved. If we are to understand this
subject we need to know the person of Christ; not just what he did but who he is. Through this book we get to know the
Son of God – the one who
came from above and became fully human having a human body and soul.
Being God enabled him to pay the debt owed for sin and being man
enabled him to stand on man's behalf for their sin. In straightforward terms this book will explain the interconnectivity of
the work and person of Jesus Christ and dispel any misconceptions you
may have.

ENDORSEMENTS

A Christian's Pocket Guide to Jesus Christ - Mark Jones, CFP 2012 - This book is gold. I can't remember the last time I read such a small book that has had such an effect on me. At 76 pages I think it's worth almost memorising! There are lots of really helpful emphases, particularly Jones's treatment of the Incarnation, Christ and the Holy Spirit, and the Threefold Office of Christ. It is Christology from above and is a very helpful introduction indeed. It could be used in a variety of contexts in church life and will leave people wanting, even craving, more. Buy and read.

Reformation 21- The Alliance of Confessing Evangelicals

"Who is Jesus Christ? Our answer to that question will determine our eternity. What we believe about Jesus is essential to our belief in Jesus. In this book, Dr. Mark Jones helps to answer hard questions about the person and work of Jesus Christ in a simple and clear manner. This book is an excellent tool for evangelism and discipleship, and it is a much-needed resource for new believers, laypeople, and pastors alike."

Burk Parsons
Senior Pastor of Saint Andrew's Chapel, Sanford, Florida and Editor of Tabletalk magazine

"Mark Jones has served us well by writing this short introduction to the doctrine of Christ. His book is biblical, clear, and rooted in historic Reformed theology."

Joel R. Beeke
Chancellor, Puritan Reformed Theological Seminary, Grand Rapids, Michigan
