DESCRIPTION

Take comfort in the perfect Fatherhood of God in this forty-day devotional

While our relationships with our earthly fathers were designed to reflect our relationship with our heavenly Father, the reality of sin in our world means that many of us have relationships with our fathers fraught with pain, disappointment or absence. This devotional was written as a reminder that God is the wonderful Father that each of us desperately needs – a loving, encouraging, faithful, guiding, trustworthy, providing, protecting, comforting, healing, merciful Father. Take time to read the Scriptures listed in the **Pause** section each day; meditate on the questions in the **Ponder** section; and use the **Pray** section to help you speak to your Heavenly Father.

- **Forty–day devotional**
- **Ways God perfectly displays fatherhood**
- **For those whose relationship with their dad is hard**

If your relationship with your father is marked by heartache *40 Days to God, My Father* will be a balm to your heart.
