ENDORSEMENTS

As one who has personally benefitted from Dr. Beeke's teaching on assurance over the years, I'm delighted that the mature fruit of his thinking, writing, and speaking about this vital topic is now being made more available and accessible in this simple guide to such a profound and practical subject. May many discover through these pages, "I am His, and He is mine."

David Murray
Senior Pastor, First Byron CRC, Byron Center, Michigan and author of 'The StoryChanger' and 'Jesus on Every Page'

Here in this book, with perspicuity and simplicity, and informed by a lifetime of reflection and study of this subject, Dr Beeke lays out the New Testament witness that so thrilled the hearts of the Reformers and our Evangelical forebears. I highly recommend it.

Michael A. G. Haykin

I'm delighted to see this book make Dr. Beeke's expertise more widely accessible, and hope that many more will now benefit from it as I did. To be fruitful, healthy and happy in Christ, Christians need to know the truths laid out for us here.
