ENDORSEMENTS

… an excellent, lucid exposition of Deuteronomy. He presents the message of the book in a clear and accessible way. Free from jargon and technicalities, while yet informed by scholarly discussion, this should be of great value for pastors and lay readers alike.

Robert Letham
Wales Evangelical School of Theology, Bridgend, Wales

Dr. Kelly drills down into the word of God to tap into the well of biblical truth. His exposition flows with the living water of the gospel that equips for every good work—he points the church to Christ so we can seek the grace of God for salvation and godly living.

J. V. Fesko
Harriet Barbour Professor of Systematic and Historical Theology at Reformed Theological Seminary, Jackson, Mississippi; author, 'Reforming Apologetics: Retrieving the Classic Reformed Approach to Defending the Faith'

Here, faithfully proclaimed, is the book of the Bible to which Christ turned three times in a row when tempted by the devil, applied to our homes and hearts. Highly recommended!

Joel R. Beeke
Chancellor, Puritan Reformed Theological Seminary, Grand Rapids, Michigan

Dr. Kelly's exceptional preaching skills and insightful application make this a page turner. The importance of Deuteronomy, both in Moses' time and later in the reforms of King Josiah make it uniquely important for our time. Dr. Kelly will inspire a host of preachers to take up Deuteronomy and preach it.
