

God's Map, the Bible

Have you ever been lost? Really, really lost? Maybe you were on a long trip, or a big walk, or at the markets. A wrong turn here, a wrong turn there—and all of sudden you don't know where you are! But... what if you had a map? A map can show you where you came from, where you are and where you need to go. Of course, you need the right map. And you need to know how to read it properly. Well, God has given us a map for our lives—it's the BIBLE. The Bible tells us the safe way, the best way—the ONLY WAY—to Him. If you live by the Word of God and do what He says, God will guide you day by day—and you'll never be lost!

Lord God, I am so lost without you. I choose bad things to do, I choose bad things to think, I choose bad things to say. I can never find my way to you without your map, your light, your word—the Bible. Please help me to stay on your path. Teach me, for you are God my Saviour. Amen!
