BOOK ANNOUNCEMENT

New addition to the popular Christian Focus pocket guide series

A Christian's Pocket Guide to Suffering

by Brian Cosby

When tragedy strikes—the death of a child, hurricanes, a school shooting—we begin looking for an escape from the pain, a way out, or we clamor for answers from a panel of religious "experts" to explain the ever-present question, "Why?" We want answers and we want to believe that our suffering isn't meaningless.

A Christian's Pocket Guide to Suffering seeks to simply, but clearly, present a biblical view of suffering so that your feet might land on the solid foundation of God's Word and the God of that Word and, there, find understanding and hope. All other ground is sinking sand.

"Here is one small book addressing one monumental subject in the one essential way--filling our minds with and directing our hearts to the truths of Scripture."

Jason Helopoulos, Assistant Pastor, University Reformed Church, East Lansing, Michigan
