BOOK ANNOUNCEMENT

John Owen's Classic Christology Made Accessible *The Person of Christ*

by John Owen

From the introduction by Sinclair B. Ferguson

The genius of John Owen lay in his ability to combine profound theological understanding with deep pastoral and personal insight.

Like many of his works, *The Person of Christ* is designed to help us grow in knowledge in order that we may grow in faith and hope and love. Thus as a patient and prayerful reading of it fills the mind with fresh understanding, the will is drawn to a deeper devotion to him, and the affections are filled with a deeper joy in him. This is theology (or, to be more precise, Christology) of the best and richest kind.

"The new Christian Focus edition, makes the argument more transparent through the introduction of headings-all the while preserving Owen's rewarding content without abridgement-will be a great benefit to contemporary readers. Take up and read, and relish in the glory of Christ!"

Scott R. Swain, Professor of Systematic Theology, Reformed Theological Seminary, Orlando, Florida

"I don't always read the same book five times, but when I do, it is this one by John Owen. If there is a richer book on Christology in the English language, I am not aware of it."
