**Biblical modesty – more than the length
of your skirt!**

What's up with the Fig Leaves?

by Heather Thieneman

These days, modesty seems to be a floundering ship ... and the more we try to patch her up with teaching, the faster she seems to sink. Passing on this virtue to the next generation can feel like a hopeless cause. Instead of answering the questions we usually ask - where to draw the lines - *What's Up with the Fig Leaves?* points us towards the really important questions - where to lay the foundations. Building on what Scripture teaches, we obtain an understanding of modesty that will not capsize even in a world lurching from one sexual revolution to another.

“With impressive thoroughness and depth, Heather examines modesty from a biblical, historical, and practical perspective. Mix in plenty of heart and grace, and you have a substantive, helpful resource for teachers, leaders, mentors, parents, and pastors.”

radio host, Niles, Michigan**
