DESCRIPTION

The early church fathers have always had a special place in Christian theology. As the first interpreters of the gospel, we often find in their words a sense of the gospel's sheer freshness and reality. More than this, they were the thinkers who first hammered out the full meaning of what Scripture says about the Trinity and the person of Christ. Their sayings, presented here by Nick Needham, are more than just relevant – they present the opportunity to kindle within us something of that same healthy and godly spirit.
