ENDORSEMENTS

I so appreciate the way that Janice uses narratives of God's people to picture principles from God's Word. If a picture is worth a thousand words, then *Storm Clouds of Blessings* is worth a thousand books on how Christ brings us hope in life's hurts.

... compelling, grace–saturated stories. What the world calls affliction and disappointment are often, for the follower of Christ, streams of mercy that our great and sovereign God uses to fashion us more and more into the image of His Son.

Jeff Robinson

Sharing the testimonies of surrendered wills, trust in God's promises, and finding daily grace, this book is an encouragement to fix our eyes on Jesus and seek the things that are above.
