DESCRIPTION

The Bible isn't just a big book full of stories from a long time ago. It also tells us what we are to believe about God, life and what happens after this life. Christians sometimes use a lot of complicated words to describe these things, but this brief breakdown of everything you need to know is easy to understand.

Covers topics like *Who is God?, Creation and Fall, Atonement and Election, Sanctification and Perseverance, Heaven and Hell*and *The Return of Jesus.*
