ENDORSEMENTS

The birth of Jesus Christ radically changed the course of human history. Yet multitudes of people, both within and without the church, have a view of Christmas marked more by sentimentality than by the Scriptures. How Christmas Can Change Your Life provides a trustworthy guide to understanding the real meaning of Christmas.

Al Jackson
Pastor, Lakeview Baptist Church, Auburn, Alabama

How we view Christmas is often directly connected to how we view the Savior and the Gospel message. As someone that loves and sometimes over–sentimentalizes Christmas, I found myself very refreshed and challenged to think more deeply. This book is bold, wise, and fun – and I'm confident it will increase your love for Christmas, and your love for Jesus every day of the year.

Kevin Palau
President, the Luis Palau Association

'Christmas is not sentimental, it is instrumental.' Josh Moody helps us see that Christmas doesn't need to be only a time of hurried traditions and exhausting activity, it can be a season God uses to change our lives. This book will help you thoughtfully celebrate the true magic of Christmas: God making peace with us through the incarnation of Christ.
