ENDORSEMENTS

Jesus Christ is the most glorious person you will ever know. The better you know Him the more you will love Him. Jenny Manley will help you know and worship Christ more as she draws the reader deep into the life and work of Christ. This book is full of deep theology and yet, it is an easy read as it stirs your heart and soul along with your mind. I recommend that every woman should read The Doctrine of Christ, for Every Woman ... and then pass it on to other women and men, so that they will grow in their love for Christ, too.

... my heart was warmed as I read about the Lord who suffered and died for me and not only wants me to grow in my relationship with Him, but continues to apply the benefits of His death to make it happen.

Carrie Sandom

... biblically faithfully and theologically astute teaching about Jesus Christ, but at the same time the book is wonderfully clear and accessible. I rejoice to find a book about Jesus that is theologically profound and practically applicable which the ordinary person can understand.
