ENDORSEMENTS

Reading through *Teaching James* has proved to be both challenging and encouraging. I've been convicted to address the all too familiar inconsistencies in my own life as well as stirred to convey these deeply applicable truths of James to others. May God use this book to give that same momentum to your Christian life and teaching.

Glenn Lyons
Presiding Bishop of REACH–South Africa

Here is a clear, transparent and thorough analysis for preachers – or anyone who wants to work through this Bible book. Years of experience and thoughtful evaluations are distilled into this great resource for anyone preparing to teach through James.

Nat Schluter
Principal, Johannesburg Bible College, Johannesburg, South Africa

Eloff's careful and nuanced work in the text of James makes this an invaluable volume for anyone seeking to preach or teach from this rich letter. Especially useful are the section on the melodic line of the letter and clarity of the theme statements throughout. This is probably the best thing I've read on James.

Robert Kinney
Director of Ministries, Simeon Trust
