**AUTHOR**

A former Chief of Staff in the U.S. Senate, Jenny now happily lives on the Arabian Peninsula, where she serves in an international church with her husband Josh, a pastor, and her five children. Helping women from all over the world study scripture in a Christ-exalting, God-glorifying way is one of her greatest joys.

**ENDORSEMENTS**

Jesus Christ is the most glorious person you will ever know. The better you know Him the more you will love Him. Jenny Manley will help you know and worship Christ more as she draws the reader deep into the life and work of Christ. This book is full of deep theology and yet, it is an easy read as it stirs your heart and soul along with your mind. I recommend that every woman should read *The Doctrine of Christ, for Every Woman ...* and then pass it on to other women and men, so that they will grow in their love for Christ, too.

Jenny Manley has done a great job in this book of making accessible an important topic for every Christian today. This book lifts our gaze to how glorious and majestic Christ is, and it will help you worship Him more. I am grateful for this book and know that it will be a great resource for ladies either on their own or in groups.

... my heart was warmed as I read about the Lord who suffered and died for me and not only wants me to grow in my relationship with Him, but continues to apply the benefits of His death to make it happen.

... biblically faithfully and theologically astute teaching about Jesus Christ, but at the same time the book is wonderfully clear and accessible. I rejoice to find a book about Jesus that is theologically profound and practically applicable which the ordinary person can understand.
