DESCRIPTION

With colour illustrations, pictures, and pull–out timelines, this history book brings the whole Bible to life! From Genesis to Revelation, from the beginning of time to the early church, from the first promise of a Saviour to the promise that one day that Saviour will return – this book spans all of time. Find out about how the God of all time spoke to his people and still speaks today through his Word. The eighteen illustrated timelines place Bible events side–by–side with other historical events, helping readers to understand how biblical history fits with other historical accounts.
