John and Betty Stam: To Die is Gain

Rachel Lane

RELEASE DATE 03 JULY 2020

DESCRIPTION

John and Betty Stam were a young missionary couple sent to China in the 1930s. It was a dangerous time and place to stand for Christ, but John and Betty knew the risks. All they wanted was to spend their lives sharing the good news of Jesus with those who had never heard it. This is a story of tragedy as well as trust. It is a story of great sacrifice, as well as hope. It is the story of two young martyrs who were willing to pay the ultimate price in their service of Christ.
