DESCRIPTION

Thomas Clarkson was the son of a clergyman who lived in a time when it was legal to buy and sell slaves. He believed this was wrong, and campaigned to make sure this changed. He was instrumental in making sure that no human being could be bought or sold in the British Empire.

MARKETING POINTS

Biography for 9–14s

British abolitionist

Part of the successful Trail Blazers series

AUTHOR

Emily J. Maurits is an Australian blogger and writer. She is the author of the memoir 'Two Sisters and a Brain Tumour' and the founder of Called to Watch, a website supporting those whose loved ones have chronic illnesses.
