ENDORSEMENTS

We live in a time when so many questions about the Christian faith and current issues feel like they've become weaponised. I love David Robertson's fearless and friendly way of stepping into the path of sticky and sometimes confronting questions that can flummox, threaten and confuse young and old alike. And I love how a book David has written for youth turns out to be such valuable resource for all of us!

This book is remarkable in its scope, depth and simplicity. My twelve–year–old son told me: 'It tells you the truth, even when it's controversial.'
