ENDORSEMENTS

In *Home Safe*, Roger has mined out precious jewels from reformed thinkers before us. And then Roger further shines the Gospel on those jewels so that the beauty of God's grace and Christ's finished work sparkles brightly on every page! I was blessed to be reminded from Scripture of the assurance believers have in Christ. I look forward to using *Home Safe* at home and in the church and seeing God work through it to bring peace and joy to many Christians!

Roger Ibrahim has produced a fascinating little treasure trove of quotes to inject renewed confidence into our often faltering souls. This is not a series of superficial 'one liners'. Each entry, alongside Ibrahim's judicious commentary, could form the basis of a meaty devotional, or preachers could select a few for a sermon series. Doing further research on each of these spiritual giants would uncover further riches.
