£29.99 $39.99

DESCRIPTION

J. V. Fesko seeks to recover and defend the doctrine of the covenant of works in this second book in his three–part series. He argues that it is biblical and a necessary element for a right understanding of God, the world, Christ and our redemption. Understanding the nature of the triune God's interaction with Adam ultimately sets the stage for the work of the last Adam, Jesus.

MARKETING POINTS

2nd book in 3–part Divine Covenants series

Contains history, exegesis and doctrine

Engages with critics of the doctrine

AUTHOR

J. V. Fesko is Harriet Barbour Professor of Systematic and Historical Theology at Reformed Theological Seminary in Jackson, Mississippi

ENDORSEMENTS

A reader studying this important topic will be aided by what is in effect three books in one. Even though a reader may take a view other the author's, he will find himself benefited by the learned detail that Professor Fesko has amassed.

Paul Helm
Emeritus Professor of the History and Philosophy of Religion, King's College, London

This is a valuable resource for students and preachers, and an important contribution to the recovery of confidence in a vital doctrine.

David Strain
Senior Minister, First Presbyterian Church, Jackson, Mississippi
