ENDORSEMENTS

This study is deeply pastoral, recognizing that the saints who will read and use this book are not outsiders. This study will be a lifesaver for parents and grandparents of prodigals, helping us to have compassion without falling for indoctrination. I cannot recommend it highly enough.

Rosaria Butterfield
Author of 'The Gospel Comes with a House Key' and 'The Secret Thoughts of an Unlikely Convert'

Denny Burk, David Closson, and Colin Smothers offer biblical insight and clarity in this important study. This study is theologically solid and incredibly timely.

What an extraordinary resource so urgently needed at this time.

Andrew T. Walker

... a sound yet simple theological study that takes you back to the basics of the Bible. It's a great challenge to Christians to know what God's Word says to help us clearly define what we believe and why we believe it.
