DESCRIPTION

This book was written to showcase how God uniquely uses the 'vanity' inherent in the work of motherhood to display the beauties of the gospel. The mundanity is a signpost pointing us to the glory of God if we'll let it. In the calling of motherhood, God transforms our sight and opens our eyes to the gospel paradoxes of weakness as strength, smallness as glory, inefficiency as faithfulness. Our lives and actions, surrendered to Him like loaves and fishes, can become showpieces of gospel hope and glimpses of eternal joy.
