Rooted in Moses's song in Exodus 15, Demars equips us to proclaim God's truth with wonder and joy. If you want to encourage your congregation to sing heartily to the Lord and to one another, buy several copies and pass them around.

God delights when His people's mouths are filled with songs of praise. But He doesn't just want any song. He delights in songs that are sung with joy and faith according to His Word. *Redemption Song* is a brief and remarkably insightful booklet that helps God's people grow in singing to God as He is worthy.

J. Garrett Kell
*Pastor, Del Ray Baptist Church, Alexandria, Virginia; author, 'Pure in Heart'*

The gospel is simply too good not to sing, and this book will help us all sing better. I plan to give one to each family in our church, and I'd encourage you to do the same.
