DESCRIPTION

Discover the True Path to Fulfilment: A Student's Guide to the Good Life

In a world full of competing voices, *Track: A Student's Guide to the Good Life* by David Nixon offers a fresh perspective on what it means to truly flourish. Drawing from the foundational truths of the Ten Commandments, Nixon shows that the good life is about:

- Living in relationship with God
- Being empowered by grace, not performance
- Pursuing faith, purpose, and joy
- Embracing practical steps for real change

With clear insights and thought-provoking questions, this book equips students and young adults to discover lasting fulfilment—rooted in God's love and truth.

Track is a series of books designed to disciple the next generation in the areas of culture, doctrine, and the Christian life. While the topics addressed aren't always simple, they are communicated in a manner that is.
