ENDORSEMENTS

... a refreshing reminder that Christ doesn't wait for perfect people to build His church—thankfully, because the rest of us would still be waiting.

Alyssa Butcher

I've had the privilege, and challenge, of helping revitalize more than one struggling church, so I recognized these stories and people immediately. Sean writes with a great combination of humor, transparency, and love for Christ and His church. Whether you've survived a revitalization yourself or are considering the journey, this book is a great reminder that Jesus has never stops building His church.

Jeff Ludington
Lead Pastor, Generations Family Church, Cerritos, California

If you've been involved in church revitalization in any way, *The Perfect Church* will leave you laughing, sighing, shaking your head, and reflecting on God's grace toward undeserving sinners. It will also leave you grateful for the ordinary means of grace, and encourage you to continue on in the good work of revitalization for the glory of God and the good of His people.

Rhys Plant
Church revitalizer, Brant Community Church, Brantford, Ontario

Sean is funny. Jesus is sovereign. The Perfect Church is an illustration of these two truths.
