ENDORSEMENTS

Readers who seek a thoughtful and balanced guide to this theologian and statesman of the early church need look no further than this commendable volume.

Stephana Dan Laing
Associate Professor of Divinity Beeson Divinity School, Birmingham, Alabama; author, 'Retrieving History: Memory and Identity Formation in the Early Church'

Though Tertullian is no easy person to summarize, Jordan Edwards has done a fine job of capturing his setting, theology, exegesis, and spiritual outlook. For a handy and accurate summary of Tertullian, look no further than this fine volume in the Early Church Fathers series.

Bryan M. Litfin
Rawlings School of Divinity, Liberty University, Lynchburg, Virginia

A model of careful research and clear presentation, this book will richly reward anyone interested in Tertullian.

David Wilhite
Professor of Historical Theology, George W. Truett Theological Seminary, Texas

Jordan Edwards has rendered a genuine service to students of the early church by producing an introduction that honors Tertullian's genuine theological contributions while engaging candidly with the thornier dimensions of his life and legacy. To borrow the African apologist's own polemical spirit: what has Tertullian to do with modern Christianity? Edwards answers, with both clarity and conviction—more than we might expect.
