"...sound biblical foundation, charming illustrations and humor pose the volume to be one that should be a part of every Christian's library."

Patricia A. Ennis
Distinguished Professor Emeritus, Family and Consumer Sciences, Southwestern Baptist Theological Seminary, Fort Worth, Texas

"These girls tell it like it is. They'll challenge you to align the why, how, who, what and when of your love life with the truth of God's Word. And nowadays ... that's a truly radical thing to do!"

Mary A. Kassian
Author and Distinguished Professor of Women?s Studies, Southern Baptist Theological Seminary, Louisville, Kentucky

"Relationships matter to God so the way we treat each other should matter to us as well. Here is a book that takes a serious look at what it means to march to the rhythm of a different drumbeat. It will make you think and, if you're in a relationship, we hope it will make you talk."

Ian and Ruth Coffey
Moorlands College, Dorset, England

"In Radical Dating, they grapple honestly, earnestly and winsomely with how young women can honor the Lord in their interactions with guys, and how bringing Him into those relationships-even into the disappointment of unfulfilled longings-can help cultivate Christ-like character."

Nancy DeMoss Wolgemuth
Author and founder & host of Revive Our Hearts
