Quick way of finding out about a New Testament Book

Useful reference book

AUTHOR

Academic researcher and contributor to the Eerdmans Dictionary of the Bible.

ENDORSEMENTS

Pastors will find particular encouragement from recent works in biblical studies directed to their needs and interest. In *The Flow of the New Testament* (Mentor) Dale Leschert offers a complete outline of the New Testament, book by book, that offers tremendous insight for expository preaching.

R. Albert Mohler
President, The Southern Baptist Theological Seminary, Louisville, Kentucky

.... The strength of the book is that it goes through the whole of the NT and provides a lot of help in understanding the flow of each paragraph and book. While readers will require commentaries on individual books for more detail on individual verses and phrases, this book is very useful for what it sets out to do.

Themelios

The need to read Scripture in its context is vital if we are to understand it properly, but grasping that whole context is not always easy for those without professional training. In this useful book, Dr. Leschert provides the reader with valuable help in seeing how the New Testament writers develop their themes and teaching. He provides a clear summary of what each book is saying and traces the flow of the writing chapter by chapter. A helpful overview together with a more detailed outline of each book is also supplied. Comments are kept to a minimum and the text is allowed to speak for itself. A fine help to all who want to dig deeper into the books of the New Testament.

Paul Gardner
Senior Minister, Christ Church Presbyterian, Atlanta, Georgia

Dale Leschert combines the insights of a scholar with the communicative skills of a pastor-teacher as he guides us through the unfolding message of the New Testament. In so doing, he provides a tool that takes the reader from overview, through detailed outline to a comprehensive, flowing summary of each New Testament book. Here is a study guide which will prove to be a true asset to anyone who wants to engage in serious Bible study, or who is looking for help in preparing to teach the New Testament to others.
