ENDORSEMENTS

In Get Over It, Mary Whelchel shows women, in very practical ways, how to live free from dangerous mindsets that are so easily entangling. Mary gives women a gentle, yet powerful biblical approach to handling offenses, while continuing to walking in love, and total forgiveness. Get Over It is a much needed book in our culture today. Get Over It can serve as a powerfully resource for all women, church leaders, teachers, students, and all who consider themselves worshipers of the Living God.

With the candor of a faithful friend, Mary Whelchel encourages us to get over our petty fears, attitudes and anxieties that prevent us from living freely and becoming all that God intends for us to be. Drawing on years of ministry experience, Whelchel provides practical advice and wisdom to fight our tendency to hold onto slights, guilt and unrealistic expectations. Time and again she points us to the truth of Scripture, exposing the fault lines in our thinking and reminding us that we are called to trust God in every area of our life.
