ENDORSEMENTS

This devotional book offers plenty of heart checks to assess not only the work that we do, but also our motivations and aims as we go about our work ... My work looks and feels like a pile of never-ending tasks. Trisha has helped me to see that those piles are actually opportunities to worship the Lord of glory who calls us to do everything in humility, without complaining, and heartily as unto the Lord, in dependence upon Him to accomplish His work in and through me.

Kristie Anyabwile

Pastor's wife, Mother of 3, Washington D.C.

"She renewed in my heart a passion to work as worship for all that Jesus has done for me. This book will be very helpful for those of us who are learning how to work as unto the Lord."

Jessica Thompson

Speaker and author of Answering Your Kid's Toughest Questions and Everyday Grace: Infusing all Your Relationships with the Love of Jesus

"Trisha examines the many facets of life that every woman faces, then draws you back to the gospel through her heart-probing questions at the end of each chapter."

Karen Cheong

Pastor's wife and ministry leader, Sojourn Community Church, Louisville, Kentucky

"She invites all women to experience the freedom and joy that work and worship can bring when Jesus is the center. Pick up this book and learn from her wisdom."
