Finally, a book for the woman wondering if she has found the right man for a life-long commitment... This book is a must read for any woman thinking about marriage, in a marriage now, or helping others towards a life-long biblical romance that echoes the love of Christ for His Bride and her joyous "Yes!" to Him. Buy it! Read it! Use it! I know I will.

Jani Ortlund
Author, speaker, wife of Ray Ortlund & Executive Vice President, Renewal Ministries, Franklin, Tennessee

If you are a single woman, this may be the most important book you read this year... Heed the warnings in this book, be fortified by its encouragements, and give an ear to its sound biblical advice. As a pastor in a university church, I would place this book in the hands of every single young woman I could. And as a father, this is a book that I will ask my daughter to prayerfully read from cover to cover.

Jason Helopoulos
Senior Pastor, University Reformed Church, East Lansing, Michigan

Any unmarried women, whether being romantically pursued or not, needs to read this book! Through writing and speaking on Christian courtship myself, I have read a stack of books on this topic and can say this has to be one of my favourites.
