AUTHOR

Jonathan Edwards (1703-1758) was foremost leader of the Great Awakening in North America in the 18th Century.

ENDORSEMENTS

The spiritual value of Jonathan Edwards' 'Religious Affections' can hardly be exaggerated. But the difficulty of the subject matter, combined with Edwards' tedious writing style and 18th century vocabulary, makes digesting it quite challenging for the modern reader. I am delighted that Christian Focus is releasing this modern edition of Edwards' classic work. Read this book. Let it read you. You will be challenged, convicted, and changed. I commend it highly.

Timothy K. Beougher
Billy Graham Professor of Evangelism, The Southern Baptist Theological Seminary, Louisville, Kentucky

Some books from past centuries have proved their timelessness. Jonathan Edwards' "Treatise on Religious Affections" is a perfect example. But sadly, that gets obscured by their time-bound language. So it's fantastic to have this wonderful book made accessible again. Edwards shows such humanity and realism as he tackles the issue of our emotional life. But he does so with great biblical clarity and charity, walking the tightrope between constraint and freedom. This is one of those books that every Christian should read more than once!

Mark Meynell
