ENDORSEMENTS

A wonderful book ... rather than letting emotions control us, we learn how they can focus our hearts more firmly on God in the midst of all life's deepest troubles.

... invites us to vulnerability, transparency and trust - particularly when life is hard ... offers practical, empathetic help for those whose emotions have taken them captive in a time of upheaval.

Jen Wilkin

Author of Women of the Word: How to Study the Bible with Both Our Hearts and Our Minds

... I wish I had Christina's book back when I became a believer. It would have saved me a lot of painful emotion-stuffing and foolish emotion-ignoring.

Gloria Furman

Author, 'A Tale of Two Kings' and 'Labor with Hope'

... In *A Heart Set Free*, Christina Fox comes at our emotions, particularly the emotion of lament, from a Biblical view. Using the Psalms she takes the reader on a valuable journey teaching how to understand and express our emotions to our Heavenly Father.
