

2,000 Years of Christ's Power Vol. 4

The Age of Religious Conflict
Nick Needham

RELEASE DATE 07 OCTOBER 2016

RELATED TITLES

DESCRIPTION

The Renaissance and Reformation were exciting times of learning and discovery – they pushed the boundaries of accepted thought. The repercussions of this, however, were that they left in their wake a period of universal uncertainty. The centuries-old status quo had been turned on its head. Nothing was stable anymore. Conflict ensued.

The fourth volume of 2,000 Years of Christ's Power spans from the 16th to the 18th century. It presents a time from which English Protestantism, Scottish Presbyterianism, and French Catholicism, to name only a few, were birthed and refined. Perhaps few eras have had such a direct impact on the characteristics of our own period of history.

ENDORSEMENTS

What makes the books so useful is that in a non-technical (but not simplistic) way, they bring out the main story line of the history of the church through the centuries. But in addition, and most helpfully, each chapter concludes with a selection of writings (translated of course!) from people discussed in the chapter. This means that we are not only told what certain people believed, but we are able to read some of their actual writings -- and this is often extremely illuminating.

Martin K. Bussey

Lecturer in theology, Africa International University, Kenya

It is a brave historian who tackles the extremely challenging task of writing the 2,000-year history of the Church. Well, Nick Needham has more than risen to the challenge. This eagerly-awaited fourth volume has been well worth the wait and, not to pressure our brother scholar, we now look forward to the concluding volume!

Michael A. G. Haykin

Professor of Church History and Biblical Spirituality, The Southern Baptist Theological Seminary, Louisville, Kentucky

For many years now I have said: if you want a thorough, learned but accessible and well-written history of the church, read Nick Needham's 2,000 Years of Christ's Power. Now, with the fourth volume finally available, Christians have an excellent resource for improving their knowledge of the history of their faith. Highly recommended.

Carl R. Trueman

Professor of Biblical and Religious Studies, Grove City College, Pennsylvania

Nick Needham's volumes on church history explain everything that someone new to the subject might not understand. At the same time, they achieve a depth of detail to interest those who already know something of the subject. We use them as standard texts at LTS and look forward eagerly to forthcoming volumes.

Robert Strivens

Pastor, Bradford-on-Avon Baptist Church, Wiltshire, UK & former Principal, London Seminary
