ENDORSEMENTS

Dr. Culver has given us a classic statement of the evangelical faith. This is a book to come back to again and again.

Timothy George
Founding Dean of Beeson Divinity School, Samford University, Birmingham, Alabama

This wide-ranging, well-directed, sharp-sighted textbook is his magnum opus... This one stands high as a demonstration of the biblical rationality of the Reformed faith.

J. I. Packer
(1926–2020), Board of Governors' Professor of Theology, Regent College, Vancouver, Canada

Here is a bold, comprehensive, and faithful systematic theology.

R. Albert Mohler
President, The Southern Baptist Theological Seminary, Louisville, Kentucky

The oft ignored doctrine of the perspicuity of Scripture has found a new champion in Robert Culver's thorough yet engaging Systematic Theology. First, last, and always he is a teacher, a teacher of the sure and certain doctrines of the Bible. Culver's theology is in keeping with the best of reformation and subsequent evangelical traditions. We are eager to see Robert Culver's Systematic Theology translated into the Magyar tongue. It is hoped his words will, as they have with so many of his American students, encourage and inform sound Bible teaching in the reawakening pulpits of the Hungarian people.
