ENDORSEMENTS

While Dr. Nettles' first volume covered ground fairly familiar to educated and historically-minded British Baptists, his second volume covers ground that is less well-known in Britain. Dr. Nettles is to be congratulated for putting this enthralling history in an accessible form for British readers. The reader will find many characters who are totally unknown in the UK, and a rich Baptist heritage going back far before modern revivalistic fundamentalism. A great read.

G. N. Charmley, Norfolk

"Like the First Volume, it is well written and easy to read. Baptist Historians will find much familar ground covered in this work however, this reviewer particularly appreciated section two where the essential doctrine of providing vignettes of kep people in the Baptist story also makes his work more accessible to general readers which is always commendable."

The Baptist Quarterly, Rev Dr Brian Talbot Minister, Carbrain Baptist Church, Cumbernauld

"These volumes have already resulted in Nettles being described as a groundbreaking pioneer in Baptist history. This reviewer has no hesitation in wholeheartedly recommending both of these two volumes, and is very much looking forward to the third one seeing the light of day."

R. Jeremy Brooks, Ramsey, British Church Newspaper

"Tom Nettles has produced a book that is wonderfully informative and, through its profiles of God honouring historical figures, should serve as encouragement to all."
