DESCRIPTION

AUTHOR

ENDORSEMENTS

Eddie Murison's story is one that shows that no matter how far a man goes down into the mire of sin, addiction and depravity the Lord can begin a work in that life. The heavenly artist does not give up, but continues to chip away with the hammer of love and the chisel of grace, and eventually out of the marred and damaged mess comes one of God's masterpieces.

Canon Noel Proctor
Chaplain of HM Prison, Manchester

... This book gives hope and could change lives.

Paul Cowley
Director, Alpha for Prisons
