ENDORSEMENTS

"Deploring current 'rampant theological illiteracy', Prof. Reymond directs us in an enthralling way to the one who alone can give us such a knowledge. His remarks are calculated to stir up adoring wonder at God's glorious greatness. Clearly bathed in prayer, each lecture is preceded and closed with prayer. When the Spirit Himself breathes through each exposition and application, the reader will long to see God as He is; know Him as he/she is known; love, honour and obey him as he deserves, and weep over his/her ignorance and trivial thoughts of him. In his passage through the series, the author does not hesitate to expose and condemn the false doctrines of God held by Romanism, Judaism and Islam. An Excellent Study."

Peace and Truth

"..this is theology at its core - the very doctrine of God - and theology at it's best, informative, challenging, readable. It should be widely read."
