## ENDORSEMENTS

These little books from Christian Focus Publications caught my eye. There are four in the series titled My friend is struggling with..., all by Josh McDowell all written by Josh McDowell & Ed Stewart, all short paperbacks priced at £2.99...you could have them available at the back of your youth club to either give away or lend through a sort of library. I know there are young people who have friends facing these issues and these books issues might just be what they need to help them. It's almost a sort of 'peer mentoring' type of tool and that's really clever. Equally it's a non-threatening way of helping an individual to deal with an issue which they are facing.
