ENDORSEMENTS

"As this book was written, Gannon presented many of the chapters personally to the students and faculty at L'Abri Fellowship, Rochester. The response was excellent. Gannon offers a timely and much-needed cultural and philosophical apologetic that illumines for us the Hope we have in Christ amidst a culture that has become progressively darkened in its outlook. I am confident that readers will find the book both compelling and thought-provoking."

Larry Snyder
Director, L'Abri Fellowship, Rochester, Minnesota

"Here is a contemporary and thoroughly biblical resource which will interest unbelievers but at the same time encourage young Christians. Readable and intellectually stimulating, a resource for evangelism and apologetics, this book is ideal for use on college campuses. Buy it, use it, read it, and be challenged."

D. Eryl Davies
Elder, Heath Evangelical Church, Cardiff

" Here we have profound questions honestly and poignantly raised. And here we also have profound answers artfully and persuasively offered."

Stephen J. Nichols
Senior Scholar and Ambassador, Lancaster Bible College, Pennsylvania; author, 'Track: A Student's Guide to Apologetics'
