ENDORSEMENTS

"Without the "trials of theology" we remain on the surface of the statutes of God. May the Spirit of truth make this book a means of true thinking about God, deep affections for God, and beautiful obedience to God, through Jesus Christ who is God."

John Piper
Founder of Desiring God Ministries, Chancellor of Bethlehem College & Seminary, Minneapolis, Minnesota

"If you know a young man who is hoping to study theology, or is already studying it, the gift of this book would be of great benefit."

Peace and Truth

"This is the book that so many of us have been waiting for, a book that will be sure to grace the lives of students and pastors and their teachers in the years to come."

R. Kent Hughes
Visiting Professor of Pastoral Theology, Westminster Theological Seminary, Philadelphia, Pennsylvania

"The theologians in this volume know that the study of theology has many pitfalls. Yet to know and love God has filled them with joy, and they want to assist you, just as they have assisted my co-editor and me."

Andrew Cameron
Lecturer in Ethics, Social Ethics & Philosophy, Moore Theological College, Sydney, Australia
