ENDORSEMENTS

"To have a full-orbed view of the Church, one must consider what all of Scripture says about her. Robertson well enlightens us on Hebrew's emphasis that the Church is in the 'wilderness.'"

Robert J. Cara
Provost and Chief Academic Officer & Hugh and Sallie Reaves Professor of New Testament, Reformed Theological Seminary, Charlotte, North Carolina

"The appearance of this volume is most welcome. Its substance in an earlier form helped considerably in shaping my own overall understanding of Hebrews and appreciation of the centrality there of the church as the new covenant wilderness community. I commend it as a worthy addition to the libraries of pastors, teachers and other serious students of Scripture."

Richard Gaffin
Professor of Biblical and Systematic Theology, Emeritus, Westminster Theological Seminary, Philadelphia, Pennsylvania
